

The development of the Downtown Revitalization Plan for the Village of Carthage and West Carthage has been funded by a grant from New York State's Quality Communities Program, administered by the New York State Department of State. This effort has been spearheaded by the River Area Council of Governments (RACOG) and other key interest groups including the Tug Hill Commission, Jefferson County Planning Department, and the RACOG Ad Hoc Advisory Committee. RACOG board members included:

<i>Village of Carthage</i>	G. Wayne McIlroy, President Michael Sligar
<i>Village of West Carthage</i>	Scott Burto, Interim Mayor James Smith
<i>Town of Champion</i>	Terry L. Buckley, Supervisor Thomas Stewart
<i>Town of Wilna</i>	Lawrence C. Gerber, Supervisor Marco Franchini

In addition, RACOG wishes to thank Laura Prievo and Donna Hansen for providing the historic photographs and history summary.
